Finals Countdown

by
Kayla Voss

The 2020 AFL Finals kick off on Thursday night when Port Adelaide and the Geelong Cats go face to face. The bye week has certainly left the fans of the top eight teams waiting in anticipation and nerves. The match-ups for the first week of finals has certainly set-up an exciting start to the finals campaign:

1. **Port Adelaide vs Geelong**
2. **Brisbane vs Richmond**
3. **St Kilda vs Western Bulldogs**
4. **West Coast vs Collingwood**

Port Adelaide should come out swinging to redeem their 60-point defeat against Geelong in Round 12. Brisbane and Richmond have set up a fiery game after some off-field comments – not to mention Brisbane's terrible record against the Tigers. The Saints and the Western Bulldogs have plenty of history to fuel their fire, while the memories of the 2018 Grand Final will provide an entertaining show when West Coast and Collingwood line up on Saturday night. The stage has been set for a thrilling first round, but who exactly will come out on top?

The Underdogs

It seems like a ridiculous title for a team that won the McClelland Trophy last week after defeating Collingwood, but Port Adelaide's history has deemed it fitting. Port Adelaide's inconsistencies over the past few seasons is making it difficult for football fans to trust them. However, at the very least, their consistency this year and their brand of football is stacking up nicely against other premiership contenders. Port Adelaide still have plenty to prove, and the AFL Finals is the perfect platform to change their narrative.

The Redeemers

This is not the Brisbane Lions' first crack at the AFL Finals after their long draught. Last year the Lions went in with high expectations after finishing second on the ladder, but were ultimately knocked out in straight sets. It served as a disappointing finish and will no doubt be playing to avoid the same destiny. Brisbane have the best win-loss record against the current top eight teams, but their first task in Richmond will prove to be a challenge. The Lions have failed to defeat the Tigers in their last 15 match-ups, so winning on Friday night would certainly provide them with plenty of confidence.

The Reigning Premiers

The Richmond Football Club is the team to beat. Their finals experience is unmatched, and experience is everything in finals. Being that team with slightly more poise and steadiness, especially in the first quarter or so, can take you a long way. The short quarters this season is an added challenge for teams and has been all season. You have even less time to get over the top of your opponent,

so firing out of the starting blocks in the first half is an extreme advantage. The Tigers know that more than any other top-eight side.

by Kayla Voss

The Attackers

Geelong have always been a successful side and, while they have not reached a Grand Final in recent years, they have the manpower to get there. With players like Patrick Dangerfield, the Cats are a fast attacking side that can easily catch you by surprise on their best days – just ask Port Adelaide. However, Geelong's close loss to 16th placed Sydney two weeks ago has demonstrated their vulnerability as a team when they are not playing their best football.

The Unknown

The West Coast Eagles won the Grand Final in 2018, but they have now finished fifth two years in a row. This year, when the Eagles are playing their best football, they are unstoppable. However, their horrible win-loss record in Queensland is proving to be a problem. The Eagles have the capacity to play good football, but they do not stack up against the best teams when they are any lower than their best – or if they are playing in Queensland.

The Unpredictable(s)

St Kilda play an exciting brand of football and their young players are terrific at putting on a show. I think this team has the capacity to surprise a few teams, or at least make it difficult for their opponents. If anything, their run this season will set them up nicely for the future and affirm that their brand can compete with the best.

The Lucky Ones

The Western Bulldogs are a tricky team to place in the finals run. While they won enough games to get them into finals, they still needed certain results to go their way in the last few weeks. However, you cannot deny that they have players who can create an impact in finals: Marcus Bontempelli, Caleb Daniel and Mitch Wallis are a few examples. While I do not think they will make it far, their 2016 finals campaign is proof that anything can happen.

The Battle Weary

Unfortunately, Collingwood have a few things going against them for finals. They have players like Jeremy Howe and Steele Sidebottom out of the side due to injury or personal circumstances, but mostly their football is not cutting it against the top sides. Since their Grand Final loss in 2018, the club is struggling to find their momentum and it will more than likely cost them again this year. The 2020 AFL Finals will be unique just like the home-and-away season that preceded it. Every top-eight side has something to prove and all are vying for the two spots in the 2020 AFL Grand Final.

Is the Brownlow Medal really the best individual honour?

by Kayla Voss

The Brownlow Medal is AFL's night of all nights. It has all the glitz and glamour of a red carpet event as players, partners, AFL staff, coaches, and former winners come together to celebrate. As viewers we speculate, perhaps placing bets between families and friends, about who will take out the medal. We judge every dress that walks down the red carpet, vocalising our opinions to those watching with us. Most of all, it is a night to reflect on the season that was and kicking off the excitement of Grand Final week.

However, while we hype up the night and the event is celebrated in style, is it a true reflection of who played the most consistent and compelling season? The Brownlow medal is an award presented to a player who received the most votes according to the umpires. While the umpires are a critical part of the game, are they necessarily the best people to determine the best player for the season? The field umpires are heavily involved in the game, but it is not their job to study other teams and players. Their opinions and voting decisions are dictated only by what they see, which you can argue is not the most credible voting source. Umpires are focused on enforcing the rules of the game, and even then they don't get it right 100 per cent of the time.

It is a fair argument to suggest that coaches and players are in a better position to determine the most valuable player of the season. Sure, they are involved in how the game unfolds, and more aware of the oppositions movements. But, if anything, it is the extensive analysis that coaches and players do before, during and after that puts them in the best position.

Players and coaches awards already exist. The Leigh Matthews Trophy and the AFL Coaches Association Champion Player of the Year are determined by the players and coaches respectively. So why is the Brownlow Medal considered the AFL's highest individual honour? As a player, I imagine being voted by your peers and expert coaching staff throughout the AFL would feel like a greater achievement. If the same player won all three awards every year then this argument is pointless, but the awards often have different results. For example, in the past 20 years, the Brownlow medallist winner/s and the Leigh Matthews Trophy winner were different (in the same season) 11 times. The differing results certainly suggest different approaches in determining the AFL's most valuable player.

Either way the Brownlow Medal is an AFL tradition that will evolve with our game, and the prestige of the night cannot be argued, even if it is influenced. It is a night which celebrates the best players of our game, while also including the legends of old. As the 2020 season draws closer to finals, the Brownlow Medal predictions will start firing up. It will certainly be a Brownlow to remember as COVID will change the dynamic of the night.

Rebuilding stage for Adelaide Crows

by
Foti Mantis

The Crows, who attained their first win of the season against Hawthorn last week, showed a glimpse of the prideful footy that we've seen them play in the past. Crows play their best when they show that type of aggression like they did, and most importantly, when they start to dominate clearances. However, it is no mystery that both the Crows and Hawks are undergoing a rebuild stage with their sights keen on the AFL Draft.

Depending if the Crows trade or not, they will get this year's first pick in the draft. However, they probably could not have chosen a worst year to get it. Although South Australian football has continued, other states, like Victoria and New South Wales, have cancelled their local and state competitions. That means the Crows will have a limited choice of players to consider, and will probably have to use their pick to fill in a hole in their squad, rather than choosing the most promising and talented player.

As for trades and transfers, the Crows will probably lose a few more key players. Although the Tex has not been in the best form, he is still an important player for the Crows who acts as the glue of their forward line. Brad Crouch, on the other hand, is on the ropes. No one questions the fact that he is a star midfielder, but I think he's done all he can at the Crows, and it would be a waste of talent for the young gun to remain with Adelaide through a rebuilding phase. And, as Crouch will be a restricted free agent, the Crows could end up being compensated with the second pick in the draft too. Also, it seems Rory Atkins has already expressed his interest in free agency, adding to the list of key players the Crows will lose. But, to reiterate, these are, or will be, important moves for the Crows in their rebuilding stage.

Having debuted the most number of players for any team this year, the Crows have shown that their top priority is to advance youth players to the first team for experience and improvement. Players like Will Hamill, Lachlan Scholl, Shane McAdam, Andy McPherson and Harry Schoenberg are sure to be names that we will see in a few years when the Crows grow passed this rebuilding stage. To add to this, the Crows are looking at Jackson Hately from the Giants, who seems to be a young midfielder that isn't getting any game time in Sydney.

This will definitely remain a theme through the post-season, as the Crows aim to make their youth the core of the team. As for the rest of this season, I think Adelaide can muster one more win. It won't come easy, but it's crucial for the confidence of the players, and will give fans something to be happy about for this dreadful season.

A week in football with Madi

It will be a fight to the finish to make the eight

by
Madison Mifsud-Ure

Port Adelaide

Port Adelaide have been on top of the ladder the entire season, but that doesn't mean they have been the best. The Power have lost to top eight sides in Geelong, Brisbane and Saint Kilda and all of these losses were by big margins. Some of the Power's wins this season have been excellent like their triumph over Richmond, but others have not been entirely convincing. If it's going to be history in the making for the Power, they need to kick truly, play an unpredictable game style, and somehow ensure they aren't reliant on Charlie Dixon as their only target inside 50. They should win their remaining three matches to retain top spot and take out the minor premiership.

Brisbane Lions

The Brisbane Lions have been as good a team as any. They have been excellent inside 50 but their goal kicking has let them down. The Lions are 15th for effective disposals, which considering they have been dominant with gaining possession of the ball, this is very concerning. They have only lost to Richmond, Geelong and Hawthorn this season, however, some of their wins have been extremely close. If they cannot fix their goal kicking accuracy, they will be in some serious trouble come finals. The Lions like Port have an easy run home and should finish second on the ladder.

Geelong Cats

The first half of Geelong's season was very inconsistent as their wins were very close, while their loses to GWS, Carlton, West Coast and Collingwood were very poor performances. In the latter half of the season Geelong have shown much improvement and have been the real front runners for the premiership, beating Port, Brisbane and Saint Kilda by considerable margins. The height of their players has been their edge over teams and their key forward targets have also proved valuable. Geelong should win two of their next three matches to finish third or fourth on the ladder.

Richmond

Coming into this season Richmond were definitely the minor premiership favourites. However, loses to Hawthorn, Saint Kilda, Port Adelaide, GWS and a draw with Collingwood, saw them brought back to earth. While their wins to West Coast and Brisbane showed their true potential, it likely won't be enough to see them make the top 2. The Tigers should finish fourth, but a win against Geelong would see them secure third spot and a loss could see them drop out of the top 4.

West Coast Eagles

After a disappointing start to the Eagles' season, with losses to the Gold Coast Suns, Brisbane and Port Adelaide, West Coast won their next eight games straight, including beating Geelong. Since then they experienced a minor hiccup in their finals hopes last week after losing to Richmond. Their four games remaining against middle of the range sides will prove whether they are honestly

more than just premiership pretenders. They will make the eight, but their position is a bit up in the air, they should however, finish fifth.

Saint Kilda

Saint Kilda are a hard team to judge, they easily beat Port Adelaide and Richmond but lost to teams like North Melbourne and Fremantle. The Saints seem to not be able to win when it counts and buckle under the pressure of a close game, having lost four matches by under a goal. Nevertheless, other than their poor efforts against Geelong and Collingwood, Saint Kilda have competed hard in every contest and against every other team. Their unfortunate loses however will prove costly and with three tough matches remaining, Saint Kilda will likely fail to make the eight.

Collingwood

The Pies have been very inconsistent this season and have showcased some very poor performances against teams below them on the ladder. They don't seem to be playing with much confidence and based on their games so far it appears they are just pretenders. With a long injury list the Pies have really struggled to find their feet and have lacked effort in many contests. They have however been effective in their disposals and with games against Brisbane, Gold Coast Suns and Port Adelaide on the horizon the Pies need to give it their all. Wins against two of these teams would see them make the eight finishing sixth or seventh depending on their winning margins and other teams.

Melbourne

Other than their thrashing of Collingwood, Melbourne have simply been mediocre. They have lost to everyone above them on the ladder (minus the Pies), and have failed to make a significant impact in games. Despite Max Gawn's dominance in the ruck, the Demons are ranked 15th for clearances. Easy wins to Sydney, Fremantle and Essendon would see them stay in the eight. Come finals, if they start applying more pressure to their opponents, are able to win more ground balls then they might be in with a shot, but at this late stage they are not a premiership threat.

GWS Giants

GWS are a team you would have expected to see make finals, but after a very disappointing season, last years' runners-up are going to be lucky to even make the eight. While they have beaten Geelong, Collingwood and Richmond, they have not been dominant on the field and are 15th for inside 50s. A team that is a premiership contender needs to be able to get the ball into their attack, without this key component they will not be able to compete. Should GWS win comfortably against Carlton, Crows, Melbourne and the Saints then they will make the eight. It will, however, be very difficult given three of the teams they are playing against are also fighting to make the eight.

THE DIVISION 1 Match Previews

PRELIMINARY FINAL REVIEW

Rostrevor OC 13.14 (92) defeated St Peter's OC 8.10 (52)

The best side all season in St Peter's Old Collegians didn't handle the finals as well as I thought, and also many of their supporters would have hoped for. Out in straight sets, after taking all before them during the minor round. To make matters worse, they weren't really in the game. At quarter time, they trailed by 15-points, but even at this stage Rostrevor Old Collegians had far more forward entries and had nine scoring shots to four. The alarm bells were ringing then. If the alarm bells weren't ringing at quarter time, then at half time Geoff Riddle and his coaching staff would have been looking for the panic button as they trailed by 23-points. The third quarter, is when Rostrevor put the foot to the floor boards and ensured the last quarter could be played in cruise control. Rostrevor kicked 2.7 in the third term and should have led by far more than the 35-points. 22 scoring shots to 12 told the real story and the amount of forward entries. The last quarter was an anti-climax as Rostrevor put the cue in the rack and sailed home. The final margin was 40-points, but it was a comprehensive victory, which St Peter's never looked likely. Many of the big guns from the Saints did not fire. Relatively unknown Jonathan Read was best for St Peter's. He had support from live wire Nick McGill, James Hargreaves, Charlie Gibson and big James McLeay who was their only focal point up forward with his 3 goals. Rostrevor OC shared the goal scoring around, with nine players registering a goal. Nicholas Murphy with 3 goals was very good as was the very talented Tullio Dematteis and tallish floating forward Paul Fantasia with 2 goals each. Luke Manuel was brilliant and clearly best afield for Rostrevor. Rostrevor also had solid contributions from Nicholas Murphy, Tullio Dematteis, Tom O'Malley, Paul Fantasia and Craig Holm. Rostrevor Old Collegians looked good and it was the perfect hit out for this weeks big clash.

GRAND FINAL REVIEW

Goodwood Saints v Rostrevor Old Collegians

Norwood Oval at 2.30pm (Sunday)

Goodwood Saints have been the most successful division one side over the last 20 years, while Rostrevor Old Collegians have spent the last 8 seasons in division one. For 14 of 20 seasons since the year 2000, Rostrevor Old Collegians have been in division one. Over the last 7 seasons, Rostrevor Old Collegians have been the most consistent side in the top flight of amateur football. They have won

two premierships and two runners-up in that time and have competed in finals every season. Will O'Malley has done a great job since taking over in 2019. He has handed over the captaincy to James Jordan, after O'Malley himself was such a brilliant leader from 2013 to 2018. There is a nucleus of many fantastic players who have been a part of this side for so long. Luke Manuel, Daniel McCullum, Will O'Malley, Sam Jonas and Craig Holm are all club best and fairest winners and still playing in the side. Its unusual to have so many best and fairest winners playing in the same team, which shows stability and a passion to play for the club. Guys like Paul Fantasia, Kieran Holland, James Jordan and Tom Hurley whilst not having won the ultimate honour at the club, are all very talented players. Whilst Rostrevor Old Collegians have been a wonderful club and have shown consistency. They are up against arguably the greatest division one club of all time. The club came into division one in 1991 and have not been out of the top flight of football. Having played for 30 consecutive years in division one. The Saints waited until 1997 to taste the sweet taste of success in division one, when they won the flag for the fist time defeating PHOS Camden by 7-points. 1998, 1999 and 2004 ended in grand final defeats for the Saints. The loss in 2004, was the last they would suffer on the ultimate day. Goodwood have not been beaten in a grand final since 2004 but have won 7 division one premierships, which is beyond phenomenal. After their loss in 2004 to Broadview, Goodwood then won the next 5 premierships in succession. One of those premierships was under Trevor Hill, but the next four under Trent Mills. The Saints won flags from 2005 until 2009. In 2008 the Saints made history to become the first club in win 4 successive division 1 premierships. From 2010 until 2013 Goodwood finished 3rd each season, before again winning the flags in 2014 and 2015. Whilst the year is 2020 and most of the greats of that era have gone, guys like Anthony Dempsey are still there and the club is well coached by former West Adelaide star Luke Donaldson. This is a game that will be a cracking contest. Both sides have some wonderful players. Goodwood have more players with SANFL experience however and that big game experience comes in handy. Goodwood finished the season in second position and then had two solid finals matches. Defeating Prince Alfred OC by 12-points and then St Peter's OC by 7-points. Most importantly, they are well rested. Rostrevor have had to come from the elimination final, and must be feeling the effects of a hard season and injuries. Rostrevor will have to overcome some degree of finals fatigue and the fact that Goodwood don't lose grand finals. Sooner or later this great football club will lose a grand final and show to the world they are human. But I don't think that 2020 will be the start of that losing habit. It will go down to the wire, but for me it's **Goodwood Saints by 1-12 points**

THE DIVISION 2 Match Previews

Sacred Heart OC 15.19-109 defeated Henley 5.7-37 by 72 points at Sacred Heart Middle School

Sacred Heart OC are through to the Division 2 grand final after a convincing 72-point win over Henley. Setting the tone from the first bounce, Sacred Heart OC pushed out to a strong early lead as they went into the quarter-time break up by 19 points. The second term saw more of the same as Henley had no answer for Sacred Heart's attacking play. Henley were held goalless for the second term while Sacred Heart led by an imposing 40 points at half-time. Henley started showing signs of a comeback in the third quarter but could not keep Sacred Heart off the scoreboard and by three-quarter-time the game was out of reach with Sacred Heart holding on to a 47-point lead. The last quarter saw Sacred Heart put the foot down as they booted home four goals to Henley's one and ran home to win in emphatic fashion. Cameron Rankin was the star of the day for Sacred Heart with his six-goal haul while Patrick McCarthy also proved dominant kicking home five goals of his own. Peter Spurling and Taylor Angel also featured amongst the best players for Sacred Heart in an impressive performance. Liam Martin was one of few who stood out in a solid performance for Henley, but they lacked contributors in what was a disappointing day for a side who was on top of the ladder for much of the season. Henley will go back to the drawing board and look ahead to their 2021 campaign where they should once again be looking to contend for the Division 2 flag. Sacred Heart OC now go on to the grand final this Saturday at Norwood Oval where they will be looking to knock off a talented Tea Tree Gully outfit.

This week in Division 2

Grand Final Preview – Saturday, October 3, 2:30PM Tea Tree Gully vs Sacred Heart OC at Norwood Oval

Following a tumultuous season, we have finally reached the climax of the Adelaide Footy League Division 2 competition with Tea Tree Gully set to faceoff against Sacred Heart OC at Norwood Oval. Tea Tree Gully had the upper hand in their semi-final contest at home two weeks back which saw them

defeat the Hearts by 42 points. Now set to play away from home and at a mutual venue, this contest should prove a much tighter battle. A 51-point first quarter by Tea Tree Gully proved the difference that day and if Sacred Heart are to stand any chance, they will need to be switched on from the first bounce in this contest. Sacred Heart OC appear to be in ominous form following their 72-point preliminary final win over Henley and will without doubt bring it right to the minor premiers. However, it is yet to be seen whether they have learnt their lesson and will make amends for their mistakes in the semi-final loss. Ryan Spittle was one of the matchwinners for Tea Tree Gully in that semi-final victory and will once again look to spearhead Tea Tree Gully's attack. If Sacred Heart OC are to get their hands on that Division 2 flag, the likes of Patrick McCarthy and Cameron Rankin will have to carry the forward line and put in big performances. There were doubts over the 2020 season going ahead but at long last we have reached the pinnacle in what is shaping to be the match of the season. Tea Tree Gully have proven themselves to be a class above the rest of the competition for much of the season and throughout their finals campaign. Sacred Heart OC have also proven that at their best they can be right there with Tea Tree Gully and defeat any opposition. It should prove a battle to the end but Tea Tree Gully will be the fresher of the two sides after a week off and I think they will prove to be too good for Sacred Heart OC.

GRAND FINAL REVIEW

Golden Grove 15.7 (97) defeated Flinders Park 10.7 (67)

After a goal from Joel Horskins after the siren gave Golden Grove a dramatic victory in the reserves, the stage was set at Norwood Oval for a cracker of a division three grand final. The oval was packed full of supporters predominantly from either of the two sides due to the double header so the atmosphere was electric after the national anthem heading into the first bounce. Two sides that, for the past few years, will have been kicking themselves for not going that step further and attaining promotion, ironically enough managed to make it to the big dance in the one year that promotion wasn't on offer, at least not yet. Voluntary relegation could potentially be on the cards for Glenunga if they elect to step down from division two after losing every game this year, however with nothing set in stone, the reds and the 'burras were set to fight it out for premiership glory which is more than enough motivation, I'm sure. A tricky one to predict, Flinders Park went into the game undefeated since round three but Golden Grove had the advantage of having a week off after finishing top and dealing with North Haven in the qualifying final. The first quarter was an even, tense affair that saw Flinders Park go into quarter time with a slender lead, but both sides would have been content with how the game was playing out. Luke Barmby started off what would become a brilliant game with a number of touches and a goal and the second quarter belonged to the top side who managed to kick six goals to Flinders Parks two. Michael Walters (no, not that one) booted four first half majors on his way to six for the game and at the half time interval, Golden Grove had the lead by 20 points. They added to that early in the third, but it was all Flinders Park for the rest of the quarter as the Reds strung together four unanswered goals. By the end of the quarter, the Golden Grove lead had been cut to just eight points and the game was wide open for anyone that wanted to take it. It was Golden Grove who had the guts to grab the opportunity with both hands, coming out of the final break and kicking two goals inside the first five minutes, blowing the margin back out to 20 points, albeit with plenty of time on the clock. The next ten minutes were an arm wrestle but Grove managed to add another goal and Flinders Park had no answer, unable to hit the scoreboard in the last quarter. The final siren sounded and the

Golden Grove supporters in the pocket erupted and the celebrations ensued. The Kookaburras were the best team all year and showed that week in week out. They only lost one game throughout the campaign and at the end of the day just had too much for a gallant Flinders Park side who gave themselves every chance in this game. That third quarter spell where they were on top looked like it might be the catalyst for an upset but it was not to be as Golden Grove ran out worthy winners. Michael Walters, who finished with six goals and was a threat all day long, was presented with the medal for best on ground and rightly so, however Luke Barmby couldn't have played a better game. The ex-Central Districts midfielder was everyone for Golden Grove and racked up plenty of touches, barely putting a foot wrong. Jake Pitman was also influential as the hard-nosed midfielder was a thorn in the side of the reds all day. Luke Trenorden and Jay Hansen managed six majors between them as the tall targets up forward for Flinders Park whilst Ethan Abbott was judged to be their best player. The final margin was five goals in favour of the Kookaburras in a game that certainly seemed closer than that but a fantastic, professional display in the last quarter killed the game after Flinders Park were on the charge in the third. It has been a topsy turvy year in division three and by the looks of things I expect next year to be no different. Flinders can hold their heads high, fighting back from 0-3 to make it all the way to the grand final however Golden Grove were a class above for the entire season and flexed their muscle on grand final day to be crowned worthy premiers.

GRAND FINAL REVIEW

Walkerville 11.16 (82) defeated Hope Valley 6.6 (42)

Walkerville are the 2020 Division Four Premiers, after they defeated Hope Valley by 40-points in the Grand Final at Woodville Oval. Heading into the game as the underdogs, the Cats proved they could replicate the form, which saw them beat the Demons in round five. Having come from the elimination-final the Cats were able to complete their fairy-tale, with a great team performance against a strong Demons team. Despite some disappointing losses the Cats produced a high standard of football this season, with a great final's series reflecting the maturity of their squad. In a tight first term neither team was able to gain full momentum, with the scores level at quarter-time and a great sense of anticipation around the ground to see which team could claim dominance. The Cats were able to gain the ascendency in the second quarter, as they kept the Demons goalless, while kicking six of their own. Trailing by 38-points at half-time to get back into the contest the Demons needed to create more scoring opportunities, with star goalkickers Matthew Min and Jayke Hellmanns being well held. When play resumed in the second-half the Demons produced a greater effort, however the 37-point margin at the final-break and determination of the Cats made a comeback unlikely. Despite the Cats inaccurate goalkicking in the final quarter, they were able to consolidate the premiership after a great season. Best on ground winner Sean Kuerschner ignited the Cats early, with four first-half goals, while Benjamin Walter and Adam Proud played respectable games, with two goals each. For the Demons Mitchell Sandery provided a target up forward with two majors, while Joshua Hand and Lee Duggan's impressive efforts were capped off, with a goal each. Along with Kuerschner, Tim Woolford and Daniel Callary showed they can stand up on the big stage, while Eddy O'Connor and Joshua Schilling tried their best to lift the Demons intensity. Next year the Cats will be aiming to repeat their 2020 efforts, while the Demons will be eager to maintain their key-players and challenge again.

GRAND FINAL REVIEW

Lockleys 8.10 (58) defeated Kenilworth 8.9 (57)

In what has been a crazy and unusual season, the question of who would be Premiers of Division 5 wasn't decided until the final siren. It would be the Lockley Demons who after 27 long years since their last premiership, holding on to win by 1 solidary point over Kenilworth, 8.10 58 to 8.9 57 at wet and windy Richmond Oval. The conditions ensured the game would be a low scoring affair. After a slow start in which neither side was able to gain any ascendancy, Kenilworth started to get on top and opened up a small break midway through the first quarter before Lockleys hit back with two late goals to take a three-point lead into quarter time, 3.4 22 to 3.1 19. As the second quarter got under way Lockleys kept the momentum going and started to get on top around the ground. The Demons started to create more scoring opportunities, however inaccuracy and Kenilworth's ability to convert their limited chances saw the Demons only take an eleven-point lead into half time. Lockleys had the chance to extend their lead early in the third quarter, however were unable to convert. This left the door ajar for the Kookaburras and they started to work their way back into the game as it turned into an arm wrestle. With the only goal for the quarter the Kookaburras were able to reduce the deficit to just four points heading into the final change and we were setup for a grandstand finish. Kenilworth were starting to look the better side and the pressure was on the Demons. Would the weeks break be an advantage for Lockleys or would the lack of match play in last month be their undoing. When the Demons kicked the opening goal of the final term any chance of a Kenilworth victory looked lost. However, to the Kookaburras credit, they dug in and started to create opportunities in front of goal and when they kicked a goal early in time-on they found themselves in front for the first time since midway through the opening quarter. The Kookaburras had all the momentum and the Demon's lack of recent match play was starting to show. However, these Demons have been the best team all season for a reason and weren't going to throw the towel in. Just as quickly as the Kookaburras had taken the lead the Demons were able to hit back and tie the scores as they levelled things up by rushing in a behind, and the possibility of a draw was looking a real chance. With less than two minutes to play, and trialing by 5 points, Liam Narcys kicked a goal for Lockleys which all but sealed the game and put the Demons in front by 1 point. The Kookaburras still

had time and from the kick out were able to get the ball to centre field and for the next minute tried as they might were unable to create any forward chances. It was a heartbreaking end for the Kookaburras after a valiant comeback. For Lockleys it was a sense of relief and a well deserved drought-breaking victory having dominated the competition all year. In a day not suited for forwards, Henry Johnson kicked 2 goals for Lockleys whilst Bradley Broughton was outstanding and was named best-on-ground, he was well supported by Bowen Hosking and Hayden Martinello. Kenilworth's Luke Wilson kicked 2 goals in the loss while Myles Krakouer, Nicholas Chesser and Jordan Wilson-King as much as they tried couldn't pull the Kookaburras over the line.

GRAND FINAL REVIEW

Hectorville 8.9 (57) defeated St Pauls Old Scholars 8.7 (55)

It was a fitting finish to a 2020 season that was like no other. In the grand final for division 6, it was the team who was on top all year – the Hectorville Hounds – who took the honours for div 6 premiers, but it did not come without a fight from the runners up St Pauls, who followed up their scintillating back-end of the season with another strong performance on Saturday. It was wet and windy, perfect conditions for hard, contested footy, and what a contest it was. The Hounds appeared better suited and more ready for the occasion early, kicking the first four goals of the game while holding St Pauls goal-less in a dominant first term. But the challengers were not to be denied, fighting back with two goals of their own in the second quarter while keeping the Hounds goal-less. This meant the Hounds held a slight two-goal advantage heading into the main break, with the premiership quarter just around the corner. Everything they had worked hard for all year, from Hectorville's almost-unbeaten year (St Pauls beat them in the closing round of the normal season by one point to give them their only loss) to St Pauls up and down year, came down to the final half of play. Both sides split two goals each in the third term, with the lead just eleven at the final change, setting up an epic final quarter with everything left on the line. St Pauls, with their backs against the wall and season on the line, had to put together a remarkable last quarter in order to upset Hectorville to take home the premiership. In poor conditions, it seemed almost impossible, yet St Pauls gave it their all. A four goal last quarter, almost doubling their score in the last quarter, was the fightback they needed, however it just fell short, as Hectorville kicked two goals themselves to edge out the third placed St Pauls by two points in a thrilling finish at the neutral Simonds Park. 8.9 (57) to 8.7 (55) was the final score, reminiscent of their close encounter in the final round, except with the Hounds winning instead of St Pauls. Angus Bressington was voted best afield in the grand final for Hectorville, an achievement worthy of recognition. Stewart Fincher, Dylan Kahl, Zane Donaldson and Jake Mazzone were also among the best for the Hounds, while Mazzone, Luke Broadbent and Zach Stephenson led the way in front of goals with two each for the winning side. Jordan Liseno, Anthony Alesiani and Matthew Liebelt were prominent for

St Pauls in the valiant loss, while Riley Hendricks was the only player to reach multiple goals with two. The result sees Hectorville, deservedly, take home the premiership, in a season that was theirs to lose, losing just the one game all year. After a great 2019 that ended in finals heartbreak, they bounced back in fine fashion this year, even with COVID-19 restricting play for numerous months. St Pauls, on the other hand, enjoyed a great first year in div 6 after not competing in the division last year, and although they narrowly lost in the finale, there will be a lot of confidence and momentum for them to take into next year, in the hopes of winning the 2021 premiership.

GRAND FINAL REVIEW

Brahma Lodge 8.11 (59) defeated Adelaide Lutheran 6.8 (44)

Now that was a Grand Final. Brahma Lodge after trailing for 3 quarters have fought back and prevailed, beating Adelaide Lutheran by 15 points to claim the 2020 premiership. Adelaide Lutheran will be kicking themselves relentlessly well into the off season due to the fact that they kept Brahma Lodge to just a single goal at half-time. Adelaide Lutheran burst out of the gates, stunning their more fancied opposition with 3 huge goals whilst spraying some easy shots therefore keeping Brahma Lodge in the contest. Brahma had some opportunities in the second stanza but appeared a bit shaky in front of goal and not their usual blistering sharpshooting selves. Lutheran really should've been up by more at half time. They failed to capitalise on Brahma's very average first half, but still took a handy 23-point lead into the main break. This is where the game changed. Whatever coach Dene Steele said at half time, clearly worked. Brahma Lodge seemingly changed gears in the third quarter. The players willed themselves back into the contest with a 3 goals to 0 third quarter. Adelaide Lutheran still held sway by 7-points at lemon time and it was still anyone's game. The last quarter however, was more of what we saw in the third quarter. Brahma Lodge continued their strong momentum into the final quarter. Effectively running over the top of Adelaide Lutheran with a 4 goal to 0 display. What looked like a day of misery for Tigers supporters after their reserves lost the reserves grand final earlier in the day. Turned into gold and a big premiership celebration. For the Tiger faithful they watched in delight as their team won by 15-points, in a wonderful come from behind victory. Daniel Burgess was huge for Adelaide Lutheran in the first half with 3 goals whilst setting up fellow teammates with a couple of other crucial goals. Tim Kidney, Callum Masters and Patrick Baker were all solid contributors for the Dogs. For the Tigers Arnold Tripp, Eric Hem-Mendes, Jarrod Upton, Dylan Chaffey, Joey Timpano, Thomas Jenkins and Jack Cook all played their role superbly in Brahma's comeback and eventual win to seal their premiership victory. It was a classic low-scoring, hard-fought defensive style of game with the two best sides all year locking horns and refusing to let up. This match will not be forgotten for a while. Once again congratulations to the 2020 premiers, Brahma Lodge on their fantastic achievement.
