## **TWO TEAMS DOWN, FOUR TO GO.**

The first week of the 2020 AFL finals served up some of the best games of the year. Certainly us football fans were treated to one of the best finals weeks in AFL history. The games were tight, the pressure was on, and the nerves were high. Not to mention the atmosphere of footy finals brings another level of excitement and tension. This year, more than ever, the atmosphere of a home crowd is something special after a long time with limited crowd capacity. Naturally, each game revealed something about the top eight teams as we got a good look at them in a finals setting. The home-and-away season is ultimately a test of consistency, while the Finals is where 'the best' is determined.

## **Port Adelaide vs Geelong**

The 2020 AFL Finals campaign kicked off on a Thursday night at Adelaide Oval as Port hosted Geelong for a Qualifying Final. With both teams fighting for a spot in a preliminary final, the stakes were high. Geelong and Port Adelaide went into the game with something different to prove. Geelong, with the oldest team in the AFL has a wealth of experience, but their consistency in Finals has been criticised in the past. Whereas, Port Adelaide went into the game aiming to prove their threat as a premiership contender. Geelong's loss put further pressure on their finals consistency as Port Adelaide achieved their right to be called a premiership contender.

## **Brisbane Lions vs Richmond**

The odds were against the Brisbane Lions in the lead up to the second Qualifying Final as their past 15 games against the Tigers all ended in a loss. However, the Lions came out with a bang and it was clear they felt like they had something to prove. After a disappointing finals campaign last year, I'm sure the Lions were determined not to follow the same path. They delivered a strong performance on Friday, while it felt like Richmond was chasing for most of the night. The game certainly showed the Lions growth over the past year and has cemented their spot in the premiership race.

## **St Kilda vs Western Bulldogs**

St Kilda deserved to win that game. Although both teams have had up and down seasons, the Saints deserved to win. Or, if anything, they have a more exciting style of football to watch. The two teams put on a spectacle with a close finish, which is what elimination finals should be. While I do not believe they can beat Richmond on Friday night, they have shown how far their club has come since last season.

## West Coast Eagles vs Collingwood

It was sure to be an incredible game on Saturday night as the Eagles and the Pies lined up for another big game against each other. They certainly delivered. After a tense final few minutes, the Pies claimed victory over the Eagles at their home ground – an extraordinary defeat in the regular season, let alone a final, given the Eagles record at Optus. However, the game did not reveal Collingwood as a premiership threat. They won against the Eagles, but their defensive game style will not stack up against the top four sides.

While the first week of finals produced some incredible games, the semi-finals will more than likely be one-way traffic. Collingwood and St Kilda may be the elimination final victors, but they are not in the same league as the top four sides.

## More edge of your seat thrillers are on the finals agenda

It was one of the greatest finals weekends in the history of the AFL with four immensely close games, all decided by under three goals. Now only six teams remain and after the semi-finals only two teams will join Port Adelaide and Brisbane in the preliminary finals. All season Richmond and Geelong have been the premiership favourites but after losing their respective qualifying finals they also lost their chance at being one step closer to the grand final. They now need two more wins each in order to play on the big stage.

Madison Mifsud-Ure

### Richmond vs. Saint Kilda

Richmond were second class against now premiership favourites Brisbane. After halftime they never really looked like winning and were far from their best. The Tigers just couldn't mark inside their forward 50 and their defensive pressure was poor, easily letting the Lions run inside their defensive 50 and score.

On Saturday, Saint Kilda looked like they had secured the win at three quarter time against the Western Bulldogs, but a late siege from the Dogs nearly shook the Saints. It was Saint Kilda's superb defensive pressure that prevented crucial goals and solidified their semi-final berth. This season Saint Kilda have been the most accurate team in front of goal and their win against the Dogs was no exception. Unfortunately, one of their best during Saturday's clash, Paddy Ryder, injured his hamstring late in the fourth quarter and has

been ruled out for the remainder of the finals series. Without Paddy Ryder, I'm not confident that Saint Kilda can beat Richmond, he is too important up forward and dominant in the ruck to be able to win without. However, that being said, last time the Saints beat the Tigers it was without Paddy Ryder, who was a late out. Saint Kilda got the better of the Tigers the last time these sides faced off, all the way back in round 4, but Dustin Martin didn't play in that contest. In this weekend's semi-final I think the Tigers will win, after coming off a disappointing loss to the Lions, but if the Saints' defence can stand tall again and stop the run of Richmond then they are in with a chance.

by  
Madison Mifsud-Ure

## Geelong vs. Collingwood

Geelong have only won four of sixteen finals games since 2011, as their finals woes continued in Thursday night's qualifying final. Despite just a one-point deficit going into halftime, Geelong struggled to regain momentum and when the pressure was on, Geelong just couldn't handle it. They are the most experienced finals team and yet they lost to an inexperienced and youthful side in Port Adelaide. With equal inside 50s as the Power, Geelong just didn't make the most of their opportunities. Tom Hawkins the Coleman Medallist kicked five behinds from six set shots. The semi-final match will be a real test for the Cats who have so far underachieved when it counts most. Geelong's big men will be important to stopping Mihocek and Cox.

Most had written Collingwood off for their elimination final against West Coast, but the Pies proved doubters wrong and managed to hold on in what was a nail-biting one-point win at Optus Stadium. Injuries have plagued Collingwood for the season, which has certainly had an impact on their performances thus far. However, watching them against West Coast they seemed to have a different energy and drive about them, they were going in hard at the ball and like always their mid-field group lead by Scott Pendlebury was elite and their forward line was superb. With such a tall line-up to compete against and the clearances to be a crucial component to their performance, it will be interesting to see whether Brodie Grundy spends more time in the ruck – after playing just 63 percent of the game against the Eagles on field. When Brodie Grundy is on, so are Collingwood!

With both sides competing tall it will be all about who can win the battle in the midfield. Will the deciding factor be Pendlebury, Adams and Treloar or Dangerfield, Selwood and Ablett? I think it's going to be a real 50/50 contest and the team who is able to really bring it on the night will win. The last time these two sides met, Collingwood got the better of Geelong defeating them at Optus Stadium by 22 points in round 7. But I expect the semi-final to go right down to the wire, with both sides having something to prove and Collingwood coming out on top.

## Semi-Madness

After an abysmal predictions week where I chose West Coast and Geelong to win against Collingwood and Port Adelaide, I have returned once again to take a second crack at the results of the next finals games. Here's a quick reminder: you have no reason to believe anything I say after last week's results. Absolutely shockers. But I'll try my best this time to get at least one right (hopefully).

by  
Foti Mantis

Richmond's performance last week wasn't anything we haven't seen before. It wouldn't've taken much thinking to guess that their game against Brisbane was going to be a low scoring match. However, it was unlike the Tigers to concede 10 goals against their opponent, with defense being Richmond's top priority. Kudos to the Lions for overcoming that brick wall which most teams can't ever break down. Let's not forget to mention that the loss of Tom Lynch up forward for the Tigers also played a massive role in the outcome of this game. If Lynch was there to snag two goals, the final result could have looked much different. As for this week's Semi Final against St Kilda, the Tigers will most likely come out firing from their loss against the Lions. Although the Saints put in a valiant effort against the Bulldogs, the truth is that they were extremely lucky not to lose it in the final minutes of the fourth quarter. If not for the multiple misses on goal by the Bulldogs, this week's match up could look very different. For many, Richmond were the favorites coming into the finals, and despite losing their first game, the Saints will still struggle against the size of Richmond with their marking play. The only way I can see the Saints beating the Tigers is if they control possession and set the tempo of the game. Besides that, the Tigers should win this game effortlessly.

The best game last week was Geelong and Port. With fans back in the stadium, a sudden pace was re-introduced into the game which we haven't experience all season. There were countless times where the players couldn't hear the umpires when play was stopped, and the noise of the crowd would then get even louder from anger. Port were definitely the better team, but it would have been interesting to watch the final minutes if Tom Hawkins had kicked at least two goals from his five behinds. Nonetheless, Geelong and Port reminded all of us how exciting a single game of footy can be.

As the Cats did indeed lose, they will now face Collingwood in the Semi Final who have just come off beating the West Coast Eagles by a single point. Mason Cox contributed early on towards the win, with stars like Pendlebury and De Goey solidifying the game for the Magpies. If these star players of Collingwood can continue to play to the best of their abilities against Geelong, then they should be able to keep the game close until the final siren. However, I don't believe that, even if Collingwood play their "best" type of footy, that they are capable enough of beating the likes of Patrick Dangerfield, Gary Ablett Jr, Tom Hawkins, Joel Selwood; the list could go on and on. The Cats just need to play a solid game to beat the diminished Magpies who haven't shown any real consistency throughout the season. As it stands, I think Geelong will win against Collingwood by no fewer than four goals.

## The Power of Risk

Injuries and concussions are a plague on almost all AFL players. Whether it's a major head concussion or a minor twist of the ankle, every player in the league will eventually experience some sort of injury. The question then arises of whether Australian Football is too dangerous a sport for kids and adults alike to play.

by  
Foti Mantis

The most common types of injuries occur when players are being tackled or struck from their opponents, and when falling from attempted marks in the air. These types of incidents usually result in either knee or ankle injuries, which can remain with a player for the rest of their career. Concussions don't occur as often as bruised knees or twisted ankles, but they are among one of the most dangerous injuries a player can receive.

So, what should we do about this? Should we enforce rules that help protect players from such injuries? Should we change the rules to make the sport less dangerous? Well, obviously the answer is no. Such things would destroy the sport we all know and love. But, more importantly, destroy ourselves.

Here's an example. In Jordan B. Peterson's bestselling book "12 Rules For Life," rule 11 is "do not bother children when they are skateboarding." Peterson makes the case that the governors of a local Toronto council were wrong to fill the skateboarding rinks with sand to stop children from injuring themselves. Peterson goes on to say: "Of course it was dangerous. Danger was the point. The kids wanted to triumph over danger. They weren't trying to be safe. They were trying to be competent."

Competence is the ability to do something successfully, while being able to show sufficient knowledge and judgement in particular situations. It is competence, then, that distinguishes leaders from followers. Or in other words, captains from teammates. In a sense, captains are the wisest of players because they have willingly put themselves in dangerous situations and learned how to overcome them. Simply put, it is the willingness to put yourself in a dangerous situation that will give rise to the courage and resilience that is already inside you. That is what distinguishes the strong from the weak.

The next time the AFL thinks about creating or changing rules, they must ask themselves "at what cost?" The quest to reduce any form of risk in anything is a dangerous one, and is something that runs deeper than just mere physical injuries. Risk strengthens our character. It creates leaders out of men. In the words of Peterson himself, "if you think tough men are dangerous, wait until you see what weak men are capable of."

## THE DIVISION 1 Match Previews

That one day of the year, which all sides strive and play to be a part of. Finally come around on Sunday afternoon. In a year, when the season looked like it would never start, we were graced with a grand final for the ages on Sunday. For the first time since 1984, the amateur league grand final took place at Norwood Oval. Two different combatants than the ones that took the field 36-years ago. Indeed both of those teams are no longer are in existence in their own right. Back in 1984, Riverside took on Greek, with Riverside winning a thriller. On Sunday, both sides got on the board quickly with goals to Carter for Goodwood Saints and Murphy for Rostrevor OC, inside the first 3 minutes. The game was played between both side half forwards for the rest of the quarter, before Rostrevor OC delivered goals from Reinbrecht, Luke Manuel and Paul Fantasia late in the term to be 13-points in front going into the first break. The second quarter however, was superb from Goodwood Saints, as this was the quarter where they ultimately won the premiership. The Saints peppered the goals in the opening minutes, only to kick 3 behinds. However, it was a withering blast of goals from Goodwood from third the way through the second quarter until time on, that left Rostrevor OC with no answers. The second quarter was the Frazer Goodes and Jacob Hughes show, as both men were unstoppable. Goodes booted 3 straight goals while Hughes applied enormous scoreboard pressure kicking 2.2. Rostrevor were left without any answers as Goodwood Saints kicked 6.7 to a solitary point from the old collegians in the second quarter, to take a commanding 29-point lead into half time. Whilst Goodwood were dominant during the second quarter, it was Rostrevor Old Collegians who were the dominant side in the third term, as they did all the attacking. Three early goals to Lanzoni, Dawson and Murphy had Rostrevor only trailing by 12-points at the ten minute mark of the third quarter. Rostrevor were now back in the game. Rostrevor however, will lament the lost opportunities late in the third term as they booted 4 behinds. O'Malley, Manuel, Short and Reinbrecht all kicked inaccurately. Goals here, would have put Rostrevor in front at lemon time. Rostrevor were left ruing what might have been. Goodwood Saints led by 9-points at three quarter time and a fight to the death was inevitable. Early in the final term Reinbrecht kicked accurately and drew the lead back to 4-points and the game was most certainly heating up. Reinbrecht was proving to be a handful for the Goodwood defence with his 2 goals. Half way through the final term Benny Holzbauer goaled to have the Saints

11-points in front. James Butterworth kicked a late behind for Rostrevor, when they desperately needed goals. Only a few minutes later however Frazer Goodes, kicked one of the goals of the season from deep inside the forward pocket to put Goodwood Saints 16-points in front. This would remain the margin of the premiership win. Goodes was superb for Goodwood Saints with his 4 goals and was best-a field. While evergreen Nick Burgess, Nicholas Favretto, Scott Blesing and Tom Gehling who celebrated his 100th game on Sunday, were all outstanding. For the vanquished in Rostrevor Old Collegians. Tom O'Malley, Anthony McCarthy, Craig Holm, Nick Murphy, Dylan Reinbrecht and Stefan Lanzoni were very good. Reinbrecht and Murphy were the only multiple goal kickers for Rostrevor with 2 goals each. For Goodwood Saints, it was their 8th premiership since 2005, whilst never having lost on grand final day since 2004. The club came into division one in 1991 and have not been out of the top flight of football. Having played for 30 consecutive years in division one. The Saints waited until 1997 to taste the sweet taste of success in division one, when they won the flag for the first time defeating PHOS Camden by 7-points. 1998, 1999 and 2004 ended in grand final defeats for the Saints. That loss in 2004, was the last they would suffer on the ultimate day. Goodwood have not been beaten in a grand final since 2004 but have won 7 division one premierships, which is beyond phenomenal. After their loss in 2004 to Broadview, Goodwood then won the next 5 premierships in succession. One of those premierships was under Trevor Hill, but the next four under Trent Mills. The Saints won flags from 2005 until 2009. In 2008 the Saints made history to become the first club in win 4 successive division 1 premierships. From 2010 until 2013 Goodwood finished 3rd each season, before again winning the flags in 2014 and 2015. Year 2020 is yet again, the year of Goodwood Saints.

## Division 2 - Grand Final Review

**Tea Tree Gully 10.14-74 defeated Sacred Heart OC 10.8-68 by six points at Norwood Oval**

Tea Tree Gully are Division 2 premiers after a nail-biting six-point victory against Sacred Heart OC at Norwood Oval. The minor premiers, Tea Tree Gully, came into the contest as favorites.

However, Sacred Heart have shown this finals series and at times during the season, that they have what it takes to beat the best in the competition, and this was always set to be a thrilling contest.

A strong first quarter saw Tea Tree Gully build a nine-point lead at the end of the first term and the early signs were promising. Tea Tree Gully again controlled the contest in the second term, gathering plenty of opportunities in front of goal and making it count on the scoreboard as Sacred Heart had trouble containing their damaging forward line.

Tea Tree Gully went into the half-time break with a 26-point lead and it looked like the game might be out of reach for Sacred Heart, but they had other plans in mind.

A half-time rev up speech must have done wonders for Sacred Heart as they outscored Tea Tree Gully by five goals in the third term to trail by just seven points at three-quarter-time. The stage was well and truly set for a tense last quarter and it delivered.

Goals in the final quarter proved hard to come by for both sides and the intensity went to another level. Thomas Bielby kicked home Tea Tree Gully's only goal in the final term to extend their lead to 17 points. Sacred Heart were not ready to lie down yet and quickly responded through consecutive goals by Sean Keen and Shaun Tapp within minutes of each other to reduce Tea Tree Gully's lead to six points.

In a tense final few moments, Tea Tree Gully held strong to deny Sacred Heart's charge and claim the Division 2 premiership in a season full of uncertainty. Tea Tree Gully's Dylan Schoenmakers and Brodie Latham kicked home two crucial goals each while Thomas Bielby's last quarter goal proved the difference maker. Blake Penney starred for Tea Tree Gully in a dominant performance while Cameron Tiggemann also played a crucial role in one of his best games for the season.

Sacred Heart fought valiantly throughout their finals campaign and played great footy on their way to earning a grand final berth from third position on the ladder. Tea Tree Gully proved too good for the rest of the competition and are deservedly the Division 2 premiers in what has been a very challenging year for all clubs.

### GRAND FINAL REVIEW

#### Golden Grove 15.7 (97) defeated Flinders Park 10.7 (67)

After a goal from Joel Horskins after the siren gave Golden Grove a dramatic victory in the reserves, the stage was set at Norwood Oval for a cracker of a division three grand final. The oval was packed full of supporters predominantly from either of the two sides due to the double header so the atmosphere was electric after the national anthem heading into the first bounce. Two sides that, for the past few years, will have been kicking themselves for not going that step further and attaining promotion, ironically enough managed to make it to the big dance in the one year that promotion wasn't on offer, at least not yet. Voluntary relegation could potentially be on the cards for Glenunga if they elect to step down from division two after losing every game this year, however with nothing set in stone, the reds and the 'burras were set to fight it out for premiership glory which is more than enough motivation, I'm sure. A tricky one to predict, Flinders Park went into the game undefeated since round three but Golden Grove had the advantage of having a week off after finishing top and dealing with North Haven in the qualifying final. The first quarter was an even, tense affair that saw Flinders Park go into quarter time with a slender lead, but both sides would have been content with how the game was playing out. Luke Barmby started off what would become a brilliant game with a number of touches and a goal and the second quarter belonged to the top side who managed to kick six goals to Flinders Parks two. Michael Walters (no, not that one) booted four first half majors on his way to six for the game and at the half time interval, Golden Grove had the lead by 20 points. They added to that early in the third, but it was all Flinders Park for the rest of the quarter as the Reds strung together four unanswered goals. By the end of the quarter, the Golden Grove lead had been cut to just eight points and the game was wide open for anyone that wanted to take it. It was Golden Grove who had the guts to grab the opportunity with both hands, coming out of the final break and kicking two goals inside the first five minutes, blowing the margin back out to 20 points, albeit with plenty of time on the clock. The next ten minutes were an arm wrestle but Grove managed to add another goal and Flinders Park had no answer, unable to hit the scoreboard in the last quarter. The final siren sounded and the

Golden Grove supporters in the pocket erupted and the celebrations ensued. The Kookaburras were the best team all year and showed that week in week out. They only lost one game throughout the campaign and at the end of the day just had too much for a gallant Flinders Park side who gave themselves every chance in this game. That third quarter spell where they were on top looked like it might be the catalyst for an upset but it was not to be as Golden Grove ran out worthy winners. Michael Walters, who finished with six goals and was a threat all day long, was presented with the medal for best on ground and rightly so, however Luke Barmby couldn't have played a better game. The ex-Central Districts midfielder was everyone for Golden Grove and racked up plenty of touches, barely putting a foot wrong. Jake Pitman was also influential as the hard-nosed midfielder was a thorn in the side of the reds all day. Luke Trenorden and Jay Hansen managed six majors between them as the tall targets up forward for Flinders Park whilst Ethan Abbott was judged to be their best player. The final margin was five goals in favour of the Kookaburras in a game that certainly seemed closer than that but a fantastic, professional display in the last quarter killed the game after Flinders Park were on the charge in the third. It has been a topsy turvy year in division three and by the looks of things I expect next year to be no different. Flinders can hold their heads high, fighting back from 0-3 to make it all the way to the grand final however Golden Grove were a class above for the entire season and flexed their muscle on grand final day to be crowned worthy premiers.

Michael Walters celebrating after kicking 6 goals and being best on ground for Golden Grove in their premiership

### GRAND FINAL REVIEW

**Walkerville 11.16 (82) defeated Hope Valley 6.6 (42)**

Walkerville are the 2020 Division Four Premiers, after they defeated Hope Valley by 40-points in the Grand Final at Woodville Oval. Heading into the game as the underdogs, the Cats proved they could replicate the form, which saw them beat the Demons in round five. Having come from the elimination-final the Cats were able to complete their fairy-tale, with a great team performance against a strong Demons team. Despite some disappointing losses the Cats produced a high standard of football this season, with a great final's series reflecting the maturity of their squad. In a tight first term neither team was able to gain full momentum, with the scores level at quarter-time and a great sense of anticipation around the ground to see which team could claim dominance. The Cats were able to gain the ascendancy in the second quarter, as they kept the Demons goalless, while kicking six of their own. Trailing by 38-points at half-time to get back into the contest the Demons needed to create more scoring opportunities, with star goalkickers Matthew Min and Jayke Hellmanns being well held. When play resumed in the second-half the Demons produced a greater effort, however the 37-point margin at the final-break and determination of the Cats made a comeback unlikely. Despite the Cats inaccurate goalkicking in the final quarter, they were able to consolidate the premiership after a great season. Best on ground winner Sean Kuerschner ignited the Cats early, with four first-half goals, while Benjamin Walter and Adam Proud played respectable games, with two goals each. For the Demons Mitchell Sandery provided a target up forward with two majors, while Joshua Hand and Lee Duggan's impressive efforts were capped off, with a goal each. Along with Kuerschner, Tim Woolford and Daniel Callary showed they can stand up on the big stage, while Eddy O'Connor and Joshua Schilling tried their best to lift the Demons intensity. Next year the Cats will be aiming to repeat their 2020 efforts, while the Demons will be eager to maintain their key-players and challenge again.

## GRAND FINAL REVIEW

### Lockleys 8.10 (58) defeated Kenilworth 8.9 (57)

In what has been a crazy and unusual season, the question of who would be Premiers of Division 5 wasn't decided until the final siren. It would be the Lockley Demons who after 27 long years since their last premiership, holding on to win by 1 solitary point over Kenilworth, 8.10 58 to 8.9 57 at wet and windy Richmond Oval. The conditions ensured the game would be a low scoring affair. After a slow start in which neither side was able to gain any ascendancy, Kenilworth started to get on top and opened up a small break midway through the first quarter before Lockleys hit back with two late goals to take a three-point lead into quarter time, 3.4 22 to 3.1 19. As the second quarter got under way Lockleys kept the momentum going and started to get on top around the ground. The Demons started to create more scoring opportunities, however inaccuracy and Kenilworth's ability to convert their limited chances saw the Demons only take an eleven-point lead into half time. Lockleys had the chance to extend their lead early in the third quarter, however were unable to convert. This left the door ajar for the Kookaburras and they started to work their way back into the game as it turned into an arm wrestle. With the only goal for the quarter the Kookaburras were able to reduce the deficit to just four points heading into the final change and we were setup for a grandstand finish. Kenilworth were starting to look the better side and the pressure was on the Demons. Would the weeks break be an advantage for Lockleys or would the lack of match play in last month be their undoing. When the Demons kicked the opening goal of the final term any chance of a Kenilworth victory looked lost. However, to the Kookaburras credit, they dug in and started to create opportunities in front of goal and when they kicked a goal early in time-on they found themselves in front for the first time since midway through the opening quarter. The Kookaburras had all the momentum and the Demon's lack of recent match play was starting to show. However, these Demons have been the best team all season for a reason and weren't going to throw the towel in. Just as quickly as the Kookaburras had taken the lead the Demons were able to hit back and tie the scores as they levelled things up by rushing in a behind, and the possibility of a draw was looking a real chance. With less than two minutes to play, and trailing by 5 points, Liam Narcys kicked a goal for Lockleys which all but sealed the game and put the Demons in front by 1 point. The Kookaburras still

had time and from the kick out were able to get the ball to centre field and for the next minute tried as they might were unable to create any forward chances. It was a heartbreaking end for the Kookaburras after a valiant comeback. For Lockleys it was a sense of relief and a well deserved drought-breaking victory having dominated the competition all year. In a day not suited for forwards, Henry Johnson kicked 2 goals for Lockleys whilst Bradley Broughton was outstanding and was named best-on-ground, he was well supported by Bowen Hosking and Hayden Martinello. Kenilworth's Luke Wilson kicked 2 goals in the loss while Myles Krakouer, Nicholas Chesser and Jordan Wilson-King as much as they tried couldn't pull the Kookaburras over the line.

### GRAND FINAL REVIEW

#### Hectorville 8.9 (57) defeated St Pauls Old Scholars 8.7 (55)

It was a fitting finish to a 2020 season that was like no other. In the grand final for division 6, it was the team who was on top all year – the Hectorville Hounds – who took the honours for div 6 premiers, but it did not come without a fight from the runners up St Pauls, who followed up their scintillating back-end of the season with another strong performance on Saturday. It was wet and windy, perfect conditions for hard, contested footy, and what a contest it was. The Hounds appeared better suited and more ready for the occasion early, kicking the first four goals of the game while holding St Pauls goal-less in a dominant first term. But the challengers were not to be denied, fighting back with two goals of their own in the second quarter while keeping the Hounds goal-less. This meant the Hounds held a slight two-goal advantage heading into the main break, with the premiership quarter just around the corner. Everything they had worked hard for all year, from Hectorville's almost-unbeaten year (St Pauls beat them in the closing round of the normal season by one point to give them their only loss) to St Pauls up and down year, came down to the final half of play. Both sides split two goals each in the third term, with the lead just eleven at the final change, setting up an epic final quarter with everything left on the line. St Pauls, with their backs against the wall and season on the line, had to put together a remarkable last quarter in order to upset Hectorville to take home the premiership. In poor conditions, it seemed almost impossible, yet St Pauls gave it their all. A four goal last quarter, almost doubling their score in the last quarter, was the fightback they needed, however it just fell short, as Hectorville kicked two goals themselves to edge out the third placed St Pauls by two points in a thrilling finish at the neutral Simonds Park. 8.9 (57) to 8.7 (55) was the final score, reminiscent of their close encounter in the final round, except with the Hounds winning instead of St Pauls. Angus Bressington was voted best afield in the grand final for Hectorville, an achievement worthy of recognition. Stewart Fincher, Dylan Kahl, Zane Donaldson and Jake Mazzone were also among the best for the Hounds, while Mazzone, Luke Broadbent and Zach Stephenson led the way in front of goals with two each for the winning side. Jordan Liseno, Anthony Alesiani and Matthew Liebelt were prominent for

St Pauls in the valiant loss, while Riley Hendricks was the only player to reach multiple goals with two. The result sees Hectorville, deservedly, take home the premiership, in a season that was theirs to lose, losing just the one game all year. After a great 2019 that ended in finals heartbreak, they bounced back in fine fashion this year, even with COVID-19 restricting play for numerous months. St Pauls, on the other hand, enjoyed a great first year in div 6 after not competing in the division last year, and although they narrowly lost in the finale, there will be a lot of confidence and momentum for them to take into next year, in the hopes of winning the 2021 premiership.

### GRAND FINAL REVIEW

**Brahma Lodge 8.11 (59) defeated Adelaide Lutheran 6.8 (44)**

Now that was a Grand Final. Brahma Lodge after trailing for 3 quarters have fought back and prevailed, beating Adelaide Lutheran by 15 points to claim the 2020 premiership. Adelaide Lutheran will be kicking themselves relentlessly well into the off season due to the fact that they kept Brahma Lodge to just a single goal at half-time. Adelaide Lutheran burst out of the gates, stunning their more fancied opposition with 3 huge goals whilst spraying some easy shots therefore keeping Brahma Lodge in the contest. Brahma had some opportunities in the second stanza but appeared a bit shaky in front of goal and not their usual blistering sharpshooting selves. Lutheran really should've been up by more at half time. They failed to capitalise on Brahma's very average first half, but still took a handy 23-point lead into the main break. This is where the game changed. Whatever coach Dene Steele said at half time, clearly worked. Brahma Lodge seemingly changed gears in the third quarter. The players willed themselves back into the contest with a 3 goals to 0 third quarter. Adelaide Lutheran still held sway by 7-points at lemon time and it was still anyone's game. The last quarter however, was more of what we saw in the third quarter. Brahma Lodge continued their strong momentum into the final quarter. Effectively running over the top of Adelaide Lutheran with a 4 goal to 0 display. What looked like a day of misery for Tigers supporters after their reserves lost the reserves grand final earlier in the day. Turned into gold and a big premiership celebration. For the Tiger faithful they watched in delight as their team won by 15-points, in a wonderful come from behind victory. Daniel Burgess was huge for Adelaide Lutheran in the first half with 3 goals whilst setting up fellow teammates with a couple of other crucial goals. Tim Kidney, Callum Masters and Patrick Baker were all solid contributors for the Dogs. For the Tigers Arnold Tripp, Eric Hem-Mendes, Jarrod Upton, Dylan Chaffey, Joey Timpano, Thomas Jenkins and Jack Cook all played their role superbly in Brahma's comeback and eventual win to seal their premiership victory. It was a classic low-scoring, hard-fought defensive style of game with the two best sides all year locking horns and refusing to let up. This match will not be forgotten for a while. Once again congratulations to the 2020 premiers, Brahma Lodge on their fantastic achievement.
